AuraTorq-20

Universal Compatibility

Charge on the go with AuraTorq-20, an ultra slim 20000mAh power bank with 15W Wireless Charger, 20W power delivery, 18W USB-C, and 22.5W Quick Charge 3.0 ports. Adaptive charging technology ensures the right amount of current is supplied as per the device being charged.

Powerful Backup Battery

AuraTorq-20 boasts a powerful 20000mAh Li-Polymer backup battery, so you can keep your devices powered up, anywhere anytime.

20W Power Delivery

Delivers blazing-fast 20W power to your power delivery supported devices.

Quick Charge 3.0

This fast-charging power bank boasts a USB Quick Charge 3.0 port that provides 22.5W ultimate fast charge for compatible devices.

Multi-Device Charging

Charge 4 devices simultaneously via the 2 USB-C, USB-A, and wireless charger.

Qi Wireless Charger

Charge your Apple AirPods or wirelessly chargeable devices via the wireless charger.

Optimum Charging

Adaptive charging technology ensures the right amount of current is supplied as per the device being charged.

Case Compatibility

Charge without removing your case. The AuraTorq-20 Wireless Charging Pad is engineered to work with most lightweight cases.

Portable Design

Lightweight and portable enough to put in your pocket, place in your bag, or use on the go.

Smart LED Screen

Featuring an LED screen, it will keep you informed on the charge left on your AuraTorq-20 power bank.
