UNIVERSAL
Compatibility

40W PD Car Charger

Charge your devices up to 4X faster with Power Delivery support

Dual USB-C Ports

Equipped with dual USB-C Ports that provide 20W Power Delivery each, this car charger can rapidly charge two devices simultaneously

Mini Form Factor

Bullet-PD40 has a small form factor and plugs right into the car charging port and uses the least amount of space

Easy Removal

The foldable mini handle lets you pull out the charger from the DC socket with ease

Multi-Protection System

The protection chipset in the Bullet-PD40 protects your devices from over-charging and short-circuiting

Fire-Resistant Material

Constructed with aluminum alloy, Bullet-PD40 keeps your connected devices safe in the most adverse conditions

Universal Compatibility

Rapid charging for just about any smartphone, tablet, or other USB-C device
