# Cat.7 Ethernet Cable

SSTP Cable With RJ45 (8P8C) Connector

- Model:  
C1808HBK, C1810EBK, C1811EBK, C1812EBK,  
C1813EBK, C1814EBK, C1815EBK
- Products Features:
  - Cat7 standard allows sending 10 Gigabit Ethernet at a long distance
  - Supports bandwidth up to 600MHz and transmitting data at speeds of up to 10Gbps
  - SSTP structure confidently protects the cable from EMI, shielded from interference and optimizing the signal quality
  - 26AWG pure copper core with twisted structure provides premium quality and strong durability
- Package Content
  - 1 x Cat.7 Ethernet Cable

## • Specification

Model	C1808HBK	C1810EBK	C1811EBK	C1812EBK	C1813EBK	C1814EBK	C1815EBK
Cable Length	0.5M	2M	3M	5M	10M	15M	20M
OD	6.8mm						
Color	Black
