

RAPID CHARGE

# MINI CAR CHARGER

**60W**  
Power Delivery

Quick Charge **3.0**

**SMALLER**  
than ever

**FASTER**  
than the rest

**Bullet-PD60**

## Description

Supercharge your laptop and smartphone up to 10X faster with the Bullet-PD60. Its dual port and universal compatibility feature allows to charge simultaneously any USB-C powered device through the 60W PD port and any USB powered device through the 18W Quick Charge 3.0 port. This mini, rapid car charger is constructed with premium heat dissipation material and IC Technology to provide the fastest possible charge in both ports safely.

## Features

**60W**

### 60W PD Car Charger

Supercharge your laptop and smartphone up to 10X faster.

### Sleek & Compact

Its ultra-compact design conveniently fits in your car's DC port with a modern, brushed aluminum finish to complement your car interior.

**X2**

### Dual-port Charging

Equipped with a 60W PD and 18W Quick Charge 3.0 Port, this car charger can charge two devices simultaneously.

### Multi-protection

The protection chipset protects your devices from over-charging and short-circuit.

### Fireproof Material

Constructed from aluminium alloy, which keeps your connected device safe in the most adverse conditions.

### Universal Compatibility

Rapid charging for just about any laptop, smartphone, tablet, or other USB devices.
