Cat 7 Ethernet Flat Cable

SSTP Cable With RJ45 (8P8C) Connector

- Model:
  C1897BK-1M, C1897BK-2M, C1897BK-3M, C1897BK-5M,
  C1897BK-10M, C1897BK-15M, C1897BK-20M

- Products Features:
  - C at 7 standard allows sending up to 10 Gigabit data per second under the 500MHz bandwidth, provides speedy and stable signal connection.
  - SSTP (double shielded twisted pairs structure) confidently protects the cable from EMI, shielded from interference and optimizing the single quality.
  - Made with gold-plated contacts RJ45 connector and bare copper conductor.
  - Applicable to computers, laptops, printers, modem, router.

- Package Content
  - 1 x Cat.7 Ethernet Flat Cable

- Specification

Model	C1897BK-1M	C1897BK-2M	C1897BK-3M	C1897BK-5M	C1897BK-10M	C1897BK-15M	C1897BK-20M
Cable Length	1M	2M	3M	5M	10M	15M	20M
OD	6 x 1.8mm						
Color	Black
