uHUB Q4 lite

For iPad Pro and Air, and all USB-C devices
4-in-1 USB-C Hub with HDMI and 100W PD

- Model: D1070A
- Products Features:
 - This USB-C hub is designed with a precision-milled aluminum-alloy housing which is iPad Pro matching design. It turns a single USB-C port into 4 ports on the new iPad Pro, or connects with any USB-C PC by the attached full-featured cable (11.6cm cable length).
 - With USB3.2 Gen2 specification over a USB port, data transfer rate up to 10Gbps. Backward compatible with USB3.0/2.0/1.1.
 - Equips a USB-C Power Delivery (USB PD) port, supporting maximum 100W/20V5A charging to your upstream computer. USB PD power actual output depends on your power adapter.
 - Supports HDMI up to 4K Ultra HD @30Hz with HDCP 2.2/ 1.4 and backward compatible.
 - Comes with a 3.5mm interface for audio, 4 pole design supports audio output and microphone input (priority is higher than HDMI).
 - Features a removable magnetic grip that secures this USB-C hub onto the iPad Pro.
 - With an LED indicator, lights up when connected with power.
 - Plug and play. Hot-swap supported.
