

# 150PSI

## Portable Air Compressor

### Power Bank with LED FlashLight

7500mAh

PowerPump

Discover unparalleled versatility and reliability with Promate's PowerPump, a 150PSI portable and multi-functional Air Compressor. Combining essential features like a built-in TPMS for tire pressure monitoring, a powerful LED flashlight with SOS function and a 7500mAh power bank with USB-A output, this innovative device is the ultimate companion for automotive emergencies and everyday convenience. Designed for quick inflation and equipped with a clear LED display for real-time monitoring, it ensures you're always prepared on the road. Ideal for drivers prioritizing safety, efficiency and peace of mind, PowerPump is your go-to solution for any journey.

## Powerful and Quick Inflation

Quickly inflates tires to 150PSI, ensuring efficient and rapid tire inflation whenever needed.

## Built-In TPMS

Monitors tire pressure in real-time, enhancing safety and optimizing fuel efficiency on the road.

## Integrated LED Flashlight

Provides bright illumination for nighttime emergencies and repairs, ensuring visibility and safety.

## SOS Function

Activates a distress signal with flashing lights for roadside emergencies, alerting passing vehicles.

## 7500mAh Power Bank

Charges devices on-the-go, ensuring your smartphone or tablet remains powered during long trips.

## USB-A Output

Offers convenient charging for various devices such as phones, tablets, and other USB-powered electronics.

## Clear LED Display

Displays real-time tire pressure readings and compressor status, ensuring easy monitoring and operation.

## Compact and Portable Design

Lightweight and easy to store in your vehicle, perfect for carrying in your trunk or toolbox.

## Multi-Purpose Inflator

An integrated compartment with a sliding cover, includes different adapt-ers for inflating car tires, bicycle tires, sports equipment and inflatable toys.

### Specifications:

Battery Capacity: 7500mAh/27.75Wh  
Battery Type: Lithium-ion 18650  
DC input: 12V/10A  
USB-C Input: 5V/2A  
USB-A Output: 5V/2.1A

Max Air Pressure: 150PSI  
LED Light modes: 2 Modes (Spotlight & SOS)  
LED Light Brightness in lumens: 35-40Lm  
Car Charger Length: 300 cm

### Packaging Content:

PowerPump, USB Charging Cable  
Air Hose, DC Charger, Carrying Pouch  
Nozzle Valve Adapters x 3  
Fuse (for DC Charger), User Manual
