**All USB-C & Lightning
Chargeable Devices**

Promate's PowerUp-10Duo is a revolution in portable power, with an unprecedented capacity-to-size ratio. This mini power bank packs serious energy thanks to its 10,000 mAh battery, which provides double the power versus other mini power banks in the market. With built-in foldable 20W USB-C™ and Lightning connectors, plus an additional 20W USB-C™ in/out port, it effortlessly charges multiple devices at lightning-fast speeds. The LED battery display keeps you informed, while advanced overcharging and overheating protection ensure safety with every charge. The PowerUp-10Duo fits seamlessly into your pocket or bag and even features a convenient integrated kickstand, making it the perfect travel companion.

Powerful Backup Battery:

PowerUp-10Duo boasts a powerful 10000mAh lithium-polymer backup battery that provides up to two full charges for most smartphones.

Dual Foldable Connectors:

The PowerUp-10Duo features built-in, foldable USB-C™ in/out and Lightning connectors for seamless charging.

20W USB-C™ in/out port:

This port enables both charging of the power bank and fast charging of your devices, providing maximum efficiency.

Sturdy Kickstand:

The kickstand provides stable support for hands-free viewing while charging, enhancing convenience

Multi Protect System:

Safeguards against overcharging and overheating for reliable and safe performance.

Portable Mini Design:

The PowerUp-10Duo is Compact, lightweight and easily fits in your pocket or bag, making it perfect for travelling.

User-Friendly LED Display:

LED battery display allows for real-time power monitoring, showing the remaining battery level so you always know when it's time to recharge.
