

## PT8888 8 Outlet Surge Protected Powerboard with Durable Metal Casing \$10,000 Connected System Warranty

Unique 8 way surge protected powerboard with METAL casing. Universal application and particularly beneficial in a workshop or commercial environment where normal powerboards may be easily damaged. Surge and overload protected with illuminated On/Off switch. RFI filter as well as handy wall mounting slots built into the casing. Also features spaced sockets for bulky transformers and power packs, and bright orange finish to added safety.

The PT8888 also includes a \$10,000 Connected System Warranty which provides cover for certain equipment damaged as a result of an electrical power surge whilst that equipment is properly connected to a Jackson Industries Surge Protected Powerboard.

### Features:

- 8 Power Outlets
- 2 Spaced Sockets
- High Joule Surge Protection
- Circuit Breaker
- Metal Casing
- 1.2m Power Lead

### Product information:

Voltage Rating	240VAC 50Hz
Current	10 Amps
Power Rating	2400 Watt
Surge Current	18,000A
Surge protection	MOV (Metal Oxide Varistor)
Clamping voltage	<275V
Energy absorption	175 Joules
Response Time	< 20 ns
