Avoids Shoulder & Back Pain

Raizer

Introducing Raizer, the ultimate solution for elevated productivity and comfort. Our motorized ergonomic monitor and laptop stand redefine the way you work and play. Effortlessly adjust your workspace height with the touch of a button, ensuring optimal ergonomic positioning for both monitors and laptops. With its built-in USB hub featuring USB-C Power Delivery and high-speed USB 3.0/2.0 ports, stay connected and powered up at all times. Crafted from premium aluminum, Raizer combines durability with sleek design, providing stability and style in equal measure. Enhance your workspace with dynamic RGB lighting and enjoy the perfect blend of functionality and innovation. Elevate your experience with Raizer and unlock new levels of efficiency and creativity.

Effortless Motorized Height Adjustment

Raizer offers easy motorized height adjustment (125mm to 170mm) at the touch of a button for your workspace. Enjoy quiet operation below 50dB for a serene and productive environment.

Efficient Power Distribution

Delivers stable 36W power output to charge multiple devices simultaneously without compromising performance.

USB-C PD Output

Rapidly charges compatible devices with Power Delivery support, providing 18W of power for quick and efficient charging.

High-Speed USB 3.0 Port

One port with data transfer speeds of up to 5Gbps, enabling swift file transfers and efficient data management.

Additional USB 2.0 Ports

Two ports available for charging and data transfer, offering convenience for various devices with a transfer speed of 480Mbps.

Dynamic RGB Lighting

Enhance your ambiance with Raizer's dynamic RGB lighting featuring 12 vibrant modes. Elevate your experience with visually stunning lighting that reflects your style and creativity.

Robust Weight Capacity

Raizer Supports a maximum weight of 20kg, providing stability for your devices and peripherals.

Premium Material Construction

Crafted from lightweight yet durable aluminum, ensuring reliability and sturdiness. With just 3kg, it offers portability without sacrificing stability, making it the perfect companion for any workspace or gaming setup.

Specifications

- Power Adapter Input: AC110V~240V/50~60HZ
- Power Adapter Output: DC 18V/2A (36W)
- Hub Input: DC 18V/2A (36W)
- USB-C Output: PD 5V/3A, 9V/2A, 12V/1 (18W)
- USB 3.0 Port: 5V/1.5A
- USB 3.0 Port Data Transfer Speed:5Gbps
- USB 2.0 x 2 Port: 5V/1.5A
- USB-2.0 x 2 Port Data Transfer Speed:480Mbps
- Operation noise: <50dB
- Maximum Weight Capacity: 20kg
- Height Adjustable Range: 45 mm
- Height Adjustable Speed: 7.5 Seconds/45mm
- RGB Lighting modes: 12 modes
- Power Cable Length: 1.5m

Packaging Content :

- Raizer
- USB-A to A Cable
- AC Power Adapter
- User guide
