

# Product datasheet

Specifications

APC Easy UPS On-Line, 3kVA/  
2400W, Rackmount 4U, 230V, 6x  
IEC C13 + 1x IEC C19 outlets,  
Intelligent Card Slot, LCD,  
Extended Runtime, W/ rail kit

SRV3KRILRK

## Overview

|              |                                                                                                                                       |
|--------------|---------------------------------------------------------------------------------------------------------------------------------------|
| Presentation | High quality, Double-conversion On-line UPS designed for essential power protection needs even in the most unstable power conditions. |
| Lead time    | Usually in Stock                                                                                                                      |

## Main

|                           |                                                                                                                                                                                                                                       |
|---------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Main Input Voltage        | 230 V                                                                                                                                                                                                                                 |
| Product or component type | Uninterruptible power supply (UPS)                                                                                                                                                                                                    |
| Other Input Voltage       | 220 V<br>240 V                                                                                                                                                                                                                        |
| Main Output Voltage       | 230 V                                                                                                                                                                                                                                 |
| Other Output Voltage      | 220 V<br>240 V                                                                                                                                                                                                                        |
| Rated power in W          | 2400 W                                                                                                                                                                                                                                |
| Rated power in VA         | 3000 VA                                                                                                                                                                                                                               |
| Input Connection Type     | IEC 60320 C20                                                                                                                                                                                                                         |
| output connection type    | 6 IEC 60320 C13<br>1 IEC 60320 C19                                                                                                                                                                                                    |
| Number of rack unit       | 4U                                                                                                                                                                                                                                    |

|                              |               |
|------------------------------|---------------|
| Number of battery free slots | 0             |
| Battery recharge time        | 5.5 h         |
| Battery life                 | 3...5 year(s) |
| Battery charger power        | 350 W rated   |

## General

|                                     |    |
|-------------------------------------|----|
| Number of power module filled slots | 0  |
| Number of power module free slots   | 0  |
| Redundant                           | No |

## Physical

|                     |                  |
|---------------------|------------------|
| Colour              | Black (RAL 7010) |
| Height              | 17.2 cm          |
| Width               | 43.7 cm          |
| Depth               | 63.2 cm          |
| Net weight          | 52 kg            |
| Mounting location   | Front            |
| Mounting preference | Lower            |
| Mounting mode       | Rack-mounted     |
| USB compatible      | Yes              |
| Mounting position   | Horizontal       |

## Input

|                      |                                                |
|----------------------|------------------------------------------------|
| Input voltage limits | 110...285 V half load<br>160...280 V full load |
| Network frequency    | 40...70 Hz auto sensing                        |

## Output

|                                  |                                                          |
|----------------------------------|----------------------------------------------------------|
| Maximum configurable power in VA | 3000 VA                                                  |
| Maximum configurable power in W  | 2400 W                                                   |
| Output frequency                 | 50/60 Hz +/- 3 Hz sync to mains                          |
| Harmonic distortion              | 3 %                                                      |
| UPS type                         | Double conversion online                                 |
| Wave type                        | Sine wave                                                |
| Efficiency                       | 88 % (full load)                                         |
| Additional information           | Configurable for 220 : 230 or 240 nominal output voltage |
| Bypass type                      | Internal bypass (automatic and manual)                   |
| Crest factor                     | 3 : 1                                                    |

## Conformance

|                        |                           |
|------------------------|---------------------------|
| Product certifications | CE<br>UKCA<br>EAC<br>TISI |
|------------------------|---------------------------|

|           |                                                                                    |
|-----------|------------------------------------------------------------------------------------|
| Standards | EN/IEC 62040-1:2019/A11:2021<br>EN/IEC 62040-2:2006/AC:2006<br>EN/IEC 62040-2:2018 |
|-----------|------------------------------------------------------------------------------------|

## Environmental

|                                       |                         |
|---------------------------------------|-------------------------|
| Ambient air temperature for operation | 0...40 °C               |
| Relative humidity                     | 0...95 % non-condensing |
| Operating altitude                    | 0...3000 m              |
| Ambient air temperature for storage   | -20...50 °C             |
| Storage Relative Humidity             | 0...95 % non-condensing |
| Storage altitude                      | 0...15000 m             |
| Acoustic level                        | 50 dBA                  |
| Heat dissipation                      | 910 Btu/h               |
| IP degree of protection               | IP20                    |

## Communications & Management

|               |                                                                                        |
|---------------|----------------------------------------------------------------------------------------|
| Alarm         | Alarm when on battery : distinctive low battery alarm : overload continuous tone alarm |
| control panel | Multifunction LCD status and control console                                           |

## Surge Protection and Filtering

|                   |       |
|-------------------|-------|
| Surge energy rate | 600 J |
|-------------------|-------|

## Packing Units

|                              |         |
|------------------------------|---------|
| Unit Type of Package 1       | PCE     |
| Number of Units in Package 1 | 3       |
| Package 1 Height             | 48 cm   |
| Package 1 Width              | 60 cm   |
| Package 1 Length             | 70 cm   |
| Package 1 Weight             | 66.8 kg |

## Contractual warranty

|          |                           |
|----------|---------------------------|
| Warranty | 2 years repair or replace |
|----------|---------------------------|

Environmental Data

Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships, lower impact materials, and circularity via our ongoing “Use Better, Use Longer, Use Again” campaign to extend product lifetimes and recyclability.
