TransDrive-65W

TransDrive-65W is the perfect accessory as this car charger has a 65W Power Delivery USB-C port along with an 18W Quick Charging 3.0 port, in a unique transparent design. This elegant car charger can rapidly charge your power-hungry devices like laptops, tablets, smartphones, etc. on the go. This mini, rapid car charger is constructed with premium heat dispensation material and IC Technology to provide the fastest possible charge in both ports safely. Stunning finish and super speed charging make TransDrive-65W the ideal charging solution to power your drive.

**Transparent Design**

TransDrive-65W has a transparent design to add a touch of style to your car's interior to give you a one-of-a-kind charging experience

**Quick Charge 3.0**

This ultra-fast car charger also boasts a USB Quick Charge 3.0 port that provides 18W ultimate fast charge for compatible devices

**Easy Removal**

The foldable mini handle lets you pull out the charger from the DC socket with ease

**Fire-Resistant Material**

Constructed with Zinc alloy + PC, TransDrive-65W keeps your connected devices safe in the most adverse conditions

**65W USB-C Power Delivery**

Charge your power-hungry USB-C devices like laptops, smartphones, tablets, etc. on the go, up to 4X faster with Power Delivery support

**Mini Form Factor**

TransDrive-65W has a small form factor and plugs right into the car charging port and uses the least amount of space

**Multi-Protection System**

The protection chipset in the TransDrive-65W protects your devices from over-charging and short-circuiting

**Universal Compatibility**

Rapid charging for just about any smartphone, tablet, or other USB-C and USB-A compatible devices
