

TT04 Series

## Telescopic Height Adjustable TV Cart

**Freely Tilting Mechanism**  
allows easy angle adjustment  
and reduces glare from lights or  
windows to obtain the optimal  
viewing comfort.

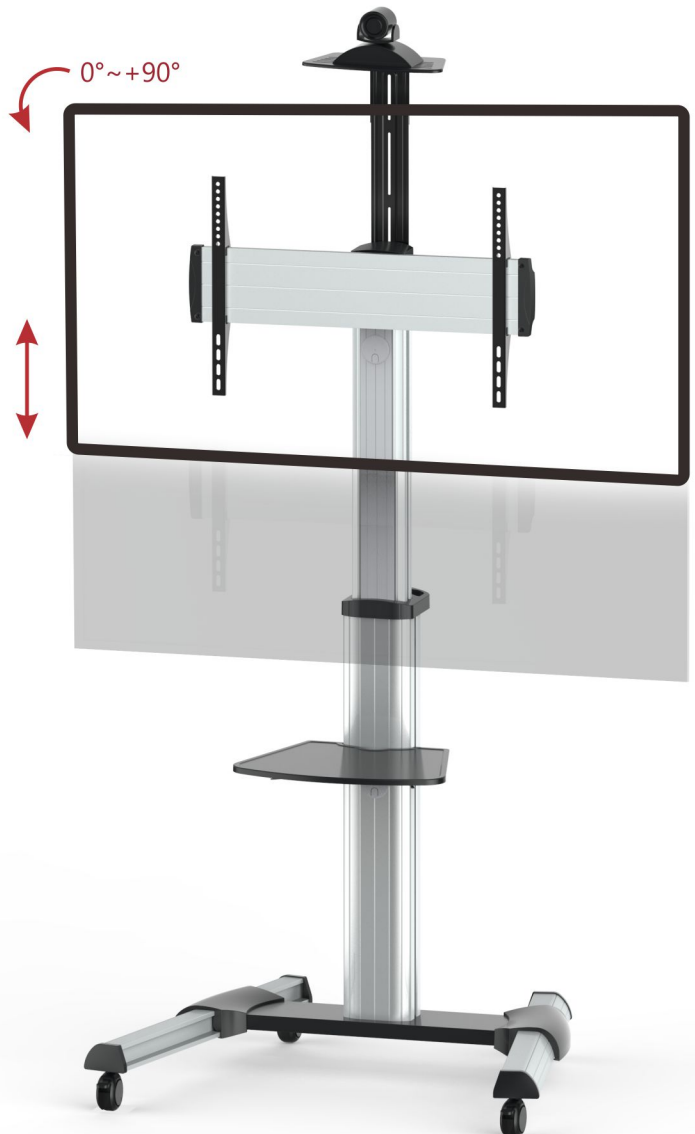

**Portrait or Landscape  
Viewing**  
promotes a customized placement  
to match different viewing needs  
anytime.

**Quick Assembly Shelf**  
assures easy post-installation and  
height adjustment.

**Internal  
Cable Management**  
hides wires from view to keep a  
clutter-free appearance.
