

# DVI Splitter w/ Audio

## VSD-102 / VSD-104 / VSD-108, VSDA-102 / VSDA-104 / VSDA-108

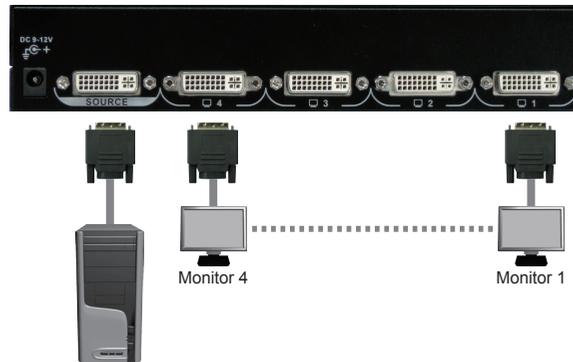

Video(+Audio) Splitters, **VSD (VSDA)** series broadcast and boost one Video signal source for 2 / 4 / 8 DVI monitors. There is no software or interface card to install. Simply connect the cables, power up the system and you are ready to duplicate Video images to multiple monitors with excellent clarity. Superb high bandwidth circuit enables a high-resolution video signal to be displayed on multiple monitors.

With the mountable size, **VSD (VSDA)** series can be easily mounted on the rack for space saving and working efficiently.
