Description:

UNITEK USB hub expands to 7 Ports USB on your Laptops or Windows tablet. Our ports support USB flash drives, mice, keyboards, or any other USB peripherals. And it is backward compatible with your USB 2.0/ 1.0 devices.

Product Features:

- **5Gbps Data Transfer Speed:** This USB hub 3.0 syncs data at Superspeed up to 5Gbps, which is 10 times more speed than USB 2.0, fast enough to transfer an HD movie in a seconds.
- **Powerful 5V/2A Power Adapter:** With a 5V/ 2A power adapter, our USB 3.0 hub ensures a stable data transfer and supplies sufficient power for all connected devices. The 7-port USB hub is equipped with safety protection protocols, it can protect your devices from overload, over-voltage, over-current, short circuit and overcharge, ensuring your safety and working efficiency all the time.
- **Durable and Ergonomics Design:** UNITEK 7-in-1 USB hub is made with aluminum housing that provides durability and better heat dissipation. The slick look and compact in size makes sure users can take it anyway along the go.
- **Universal Compatibility :** UNITEK USB powered 7-in-1 hub supports hot-swapping, plug-and-play, no drivers needed. Wide compatibility support systems like: Windows XP/2000/7/8/10/11, Linux, Mac OS 10.3 or above.

Package Contents: 1 x 7-in-1 USB 3.0 Hub; 1 x 5V/2A AC power adapter; 1 x User Manual.

Pieces/Carton: 40 pieces/ carton
